

## TOTAL NETWORK MONITOR 2

### END USER LICENSE AGREEMENT

This license agreement is a legal agreement between you (the end user, either as an individual or an organization) and Softinventive Lab. The software "Total Network Monitor 2" and any of its supporting documentation and associated hardware are hereinafter referred to as the product.

By installing or using the product, you indicate your complete and unconditional acceptance of these terms and conditions. If you do not agree to the terms and conditions of this agreement, promptly remove the product (including the associated documentation) from your computer.

If any provision of this agreement is found to be unlawful or void, then that provision shall be severed from this agreement and will not affect the validity of the remaining provisions.

### GENERAL

As part of our services, Softinventive Lab agrees to provide freely downloadable evaluation versions of this software. Softinventive Lab agrees to provide this service free of charge. You agree to use the service in accordance with the License Agreement.

Softinventive Lab may amend or modify this License Agreement at any time.

The information contained in the product is subject to change without notice and does not represent a commitment or contracted obligation on the part of Softinventive Lab.

### EVALUATION LICENSE

This product is distributed as shareware. This license agreement grants you non-exclusive rights to use the product for an evaluation period of sixty (60) days from the date you install and run the product for the first time. On the sixty-first (61) day after you installed the product, you must either register the product by means of purchasing a Commercial License from Softinventive Lab or remove all copies of the product in your possession and any related documentation.

### COMMERCIAL LICENSE

After you purchase a Commercial License from Softinventive Lab for this product, this license agreement grants you non-exclusive rights to install a copy of this product (registering it with the obtained license key) on the number of computers specified in the license. You can use each licensed copy of this product to monitor an unlimited number of local and remote computers and services. The limitations of the evaluation version are removed after registration.

The validity period of the Commercial License is unlimited. This license includes time-unlimited free support as well as time-unlimited free updates.

You may make a single copy of the software only and no other part of the product in a machine-readable form for backup use only.

This License Agreement (including the product) is not transferable. You may not lend, loan, lease, rent, sell or distribute the product (or copies) in any form, except for reselling, when the license key is registered immediately to the end-user company name. Also the license can be re-registered if the licensee company is taken over by another company.

### COPYRIGHT NOTICES

The software product is owned by Softinventive Lab. All rights in the product including License Agreement Number, copyrights, licensing rights, patents, trademarks, trade secrets, design rights, engineering rights, moral rights, and any other intellectual property rights belong to Softinventive Lab. These rights are not transferred as part of this agreement.

### LIMITATIONS OF USE

You are expressly forbidden from making alterations or modifications to, merge, adapt, decompile, disassemble, reverse engineer, or attempt to discover the source code without the expressed written permission from Softinventive Lab. You are expressly forbidden from using any part of the product in life saving or life critical applications without the expressed written permission from Softinventive Lab.

### LIMITATIONS OF LIABILITY

Under no circumstances, including, but not limited to, negligence, shall Softinventive Lab, its subsidiary and

parent companies or affiliates be liable for any direct, indirect, incidental, special or consequential damages that result from the use of, or the inability to use, Softinventive Lab product or services. In addition, you release Softinventive Lab and its affiliates from any damages that you incur, and agree not to assert any claims against them, arising from your use of its products or services.

#### DISCLAIMER

Softinventive Lab does its best to provide defect-free product and does not introduce defects deliberately, but it does not warrant that the functions contained in the materials will be uninterrupted or error-free, that defects will be corrected, or that the company website, including forums and bulletin boards, or the server that makes it available, are free of viruses or other harmful components.

To the fullest extent permissible pursuant to applicable law, the company also disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose.

#### PRIVACY

If the user contacts Softinventive Lab by completing a feedback form in the software product, basic license and installation information about this product is also sent to us.

This product does not contain integrated mechanisms of transferring device information or other sensitive data outside of the user's network.

Softinventive Lab will not sell, distribute, or lease any personal information that you choose to provide us to third parties unless we have your permission or are required by law to do so. We may use your personal information to send you promotional information that we think you may find interesting if you have previously informed us that you would like this to happen.

To learn how we collect, use and protect your information, please review the full Softinventive Lab privacy policy which you can find on our website: <https://softinventive.com/privacy/>
